TESTIMONIES:

Pastor David Hallam's style of teaching, edifying and training was powerful and concise. He cut through the fear that has so many bound, unable to share there faith. One of the most more keys that we grabbed ahold of was to be "Spirit Led". We highly recommend this ministry to any church. KERN CHRISTIAN CHURCH

The Impact Weekend was very pertinent and ministered to us in a manner that was both informative and personal. The personal prophetic words which was spoken over our church members were, in my opinion, accurate and edifying. IMPACT CHURCH ROSEVILLE, CA PASTOR DON PROCTER
